However, coming up with new ideas can be challenging. That's where our "90 Content Ideas Your Clients May Want To Know" prompts come in. With these prompts, you can generate 90 different content ideas that are tailored to your clients' interests and needs. By leveraging the power of AI to simplify the process, you can save time and effort while still delivering high-quality content that resonates with your clients. Our prompts can help you create content that establishes your brand as a thought leader, drives engagement, and ultimately leads to more conversions. Whether you're a marketer, blogger, or business owner, our prompts can help you create content that connects with your audience and drives results.

Prompts

```
I'm in real estate and looking to educate my clients and potential clients. The goal is to pick up new clients by showing my expertise. Write in English a list of 90 things about [buying real estate in this market] that most people don't know and randomize the order of the list, explain each and be sure to mention [buying real estate in this market]. The list of items should be interesting topics that I can create content around and things that my potential buyers would be interested in learning about.
